

# OPENING THE BOX

*A culturally responsive approach to STEAM education*

SCIENCE • TECHNOLOGY • ENGINEERING • ART • MATHEMATICS

Photo by Heather Holt.

**Earn college and high school credit for free this Spring & Summer.  
Explore and engage with your local forest and marine environment.**

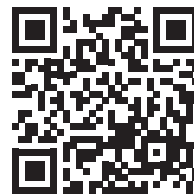

- Sealaska Heritage is offering free dual credit, asynchronous classes for high school students this spring and summer semester through the University of Alaska Southeast. Students will receive 3 college credits and will be eligible for ½ high school science credit.
- As part of the course, students will attend a two-day lab experience held in their respective communities.
- This opportunity is open to students across Southeast Alaska with preference given to students from Sitka, Kake, Wrangell, Hoonah, Angoon, and Juneau. All other communities are also encouraged to apply.

## IMPORTANT DATES

### Class runs:

Canoe Forest: January 16 - May 4

Marine Science: May 16 - Aug 1

**APPLY BY JAN 5**
